**PETITION TO WAIVE SIGNATURE REQUIREMENT OF NONSIGNING
INVENTORS
(37 C.F.R. § 1.183)**

1. Assignee hereby petitions, in accordance with MPEP 1414.01 III and §1.183, in connection with a Supplemental Declaration filed concurrently herewith, to suspend the rules and grant a waiver of the signature requirement for nonsigning inventors Peter Nicholls and Steven Johnson.
2. As background, an inventor reissue declaration was filed on September 18, 2001 that included signatures of each named inventor and specified the error as "the recitation of a plurality of carriers and a plurality of rate servers in claim 1 of the original patent, thus rendering the claims too narrow." Since that date, claim amendments have been made and claims 100-104 have been added.
3. On August 25, 2006, the United States Patent and Trademark Office issued an Office Action in the present reissue application requiring a supplemental oath be submitted before the reissue application would be allowed. The Examiner suggested the

supplemental oath should identify the error as: "the recitation of a plurality of carriers and a plurality of rate servers as claimed in claim 1 is in error since the claimed subject matter does not require the plurality and a claim including a single carrier and a single rate server would be patentable. Claim 13 replaces the plurality with a carrier and a rate server." This error identifies the same claim limitation as was identified in the earlier signed declaration.

4. Filed concurrently herewith is a "Statement of Facts," signed by James Karr based on his personal knowledge of the actions taken to locate Mr. Nicholls and Mr. Johnson, in support the present petition.
5. Listed inventors Peter Nicholls and Steven Johnson were formerly employed by a subsidiary of United Parcel Service of America, Inc., the Assignee, but are presently not employed by the Assignee or a subsidiary thereof.
6. In response the 2006 Office Action, the Assignee has made a diligent effort to correspond with Mr. Nicholls by sending a letter to his last known address by UPS Worldwide Express delivery, informing him that the Assignee had documents for him to review and requesting him to confirm his identity as a former employee of a subsidiary of the Assignee and his address. A copy of this letter and the carrier's tracking data summary are attached to the accompanying Statement of Facts. As stated in the carrier tracking data summary, the carrier could not successfully deliver the letter and indicated that Mr. Nicholls had moved. The Assignee does not have any other address for Mr. Nicholls.
7. Similarly, a letter was sent to the last known address of Mr. Johnson by UPS Next Day Air delivery informing him that the Assignee had documents for him to review and requesting him to confirm his identity as a former employee of a subsidiary of the Assignee and his address. A copy of this letter and the carrier's tracking data summary are attached to the accompanying Statement of Facts. According to the carrier tracking data summary, this letter was successfully delivered to the last known address of Mr.

Johnson. But, the Assignee has not received a response to the letter suggesting that Mr. Johnson has either moved or is unwilling to correspond with the Assignee.

8. Accordingly, after making diligent efforts to obtain their cooperation, the Assignee has concluded that Mr. Nicholls and Mr. Johnson are either unreachable or are unwilling to receive documents for review from the Assignee. It follows that Mr. Nicholls and Mr. Johnson are likewise unreachable or unwilling to sign the supplemental declaration required by the 2006 Office Action.
9. A waiver of the signature requirement is therefore requested as necessary to preserve the rights of and to prevent irreparable damage to the Assignee. Justice requires that the present petition be granted in light of the diligent efforts of the Assignee in attempting to secure the cooperation of Mr. Nicholls and Mr. Johnson and the close correspondence in the recitation of error between the earlier executed declaration and the newly required supplemental declaration.
10. Assignee notes that the remaining five inventors have signed the accompanying supplemental declaration.

☒ Charge Deposit Account 16-0605 the \$400

DETAILS OF EFFORTS TO REACH NONSIGNING INVENTORS

I, James Karr, declare that:

1. I am a supervisor in the UPS Corporate Human Resources Department. United Parcel Services of America, Inc. is the assignee of the above-identified reissue patent application.
2. Last known addresses for Peter Nicholls and Steven Johnson were located in the personnel records of ConnectShip. ConnectShip, formally known as Tandata, is a subsidiary of the Assignee. I researched the corporate personnel records to confirm these addresses, but found no addresses for these individuals in the corporate records.
3. The last known addresses for Mr. Nicholls and Mr. Johnson from the ConnectShip records are:

Peter Nicholls
Rue Des Touristes, 17:1170
Brussels Belgium

Steven Johnson
5325 South Toledo Ave.
Tulsa Oklahoma 74105
4. I sent letters to Mr. Nicholls and Mr. Johnson to the last known addresses identified above. Mr. Nicholls' letter was sent by UPS Worldwide Express delivery. Mr. Johnson's letter was sent by UPS Next Day Air delivery.
5. Both letters requested that the recipients confirm that they were indeed the former employees of Tandata or ConnectShip and asked for confirmation of their addresses. The letters also indicated that the Assignee has documents for their review. No response has been received from either letter. A copy of each letter is attached.
6. Attached to this statement is a carrier tracking data summary printed on October 2, 2006 from the UPS CampusShip website summarizing the tracking data for the Nicholls letter. The most recent entry for this letter is that the receiver (i.e. Mr. Nicholls) has moved and the address is incomplete.
7. Attached to this statement is a carrier tracking data summary printed on September 27, 2006 from the UPS ConnectShip website summarizing the tracking data for the Johnson letter. The most recent entry indicates that the delivery was successfully made to the porch of Mr. Johnson's last known address on September 25, 2006. I have not received a response to this letter.
8. This statement is made as to the facts regarding my efforts to confirm the current addresses of Peter Nicholls and Steven Johnson and to request their cooperation in reviewing documents for UPS.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
